

2020 Tornadoes Corporate Box Sponsorship

The Tornadoes Corporate Box Packages offer you the opportunity to entertain staff, clients, family and friends at our home games and also provide brand exposure at the game and in Elphin Stadium throughout the entire basketball season.

Elements of these packages include:

1. Corporate Box

- each corporate box provides priority entry to the game, court side seating, food and drinks provided throughout the game, and invitation to the post game function upstairs in the mezzanine for **10 people**.
- signage placed on the front of your corporate box to advertise to the audience on game night (dimensions 3000mmW x 900mmH).
- first right of refusal on a corporate box for any home finals in 2020

2. Stadium Signage

- Signage is placed in a highly visible position behind the goals (Dimensions 1800mmW x 1200mmH) - see attached photo. Sign supplied by sponsor.
- Signage remains in place all week for the duration of the season so your company message is exposed to all users of Elphin Stadium for the duration of the season. Up to 3000 basketballers, school groups, futsal players and other sports use the courts across a weekly period the signs are in place.
- in 2019 the Tornadoes averaged 640 people per home game and over 3000 use Elphin Stadium on a weekly basis – over 20 weeks of the season
- signage would also remain up for any finals games played.

3. Game Day Program

- We produce a 36-page (A5 size) colour program for each home game with league and team news, team lists, coach's message, player profiles, autograph page and sponsor promotions and adverts.
- You would receive an advert in this program for the entire season (9 home games) plus any finals
- between 400 - 600 programs are printed for each game and are often taken home by supporters as they include promotional offers by sponsors.

Team List
